Sierra Dream-Coaching Retreat

June 25-26, 2005

Offered by **Kathleen Sullivan**
Sponsored by **Fran and Bob Oyafuso**

This weekend, in the beautiful Sierra Range above Angels's Camp, is a continuation of the February dream-coaching retreat in Carmel. (Previous attendance is not required.) Fran and Bob Oyafuso continue to support the dream by offering their mountain home. Their "cabin" will shelter and nourish, with beauty and food for body and soul.

Because the Oyafuso's provide **both cabin and food as a gift to us all**, you are able to enjoy this abundance for \$135. In addition, people from the Monterey Bay are invited to arrive Friday afternoon. **Free accommodations are limited to the first 15** dreamers to sign up . Nearby motels will take the overflow.

We will work with the process of dream coaching, learning from our prior experience together. The plan is to explore new ways to commit to our dreams, rest, eat, walk, and laugh a lot in the glorious Sierra woods. In addition, Fran offers art supplies to enhance your dream work. We celebrate the transformation urged by our dreams from 10:00 Saturday morning until closing at 2:00 Sunday afternoon.

Maps will be provided when your registration is confirmed.
